Mr. William Blue, President  
Board of Directors  
Animal Samaritans  
Thousand Palms, California 92276-0513

Dear Mr. Blue:

Thank you for the personal invitation to tour your facilities in Thousand Palms, California. My district director, Mr. Greg Cervantes initiated this visit on my behalf. Mr. Cervantes was professionally greeted by Ms. Suzann Inhaber. Ms. Inhaber proceeded to share the importance of your organizations commitment to animal health care provided to pets throughout the Southern California region. I was equally pleased to understand the important work your staff ensues each day. For the record, I am committed to join forces with animal control agencies and animal welfare organizations at large in order to address the many challenges we face with animal health care. I commend your organizations work and quality work ethic performed by your professional personnel.

In closing, as the representative for 80<sup>th</sup> Assembly District, I am honored to enlist my name and issue my personal support to your organization. Therefore, I am please to offer my name on your campaign literature as an honorary animal ambassador. Please accept my offer to be of assistance to you and your organization as needed. I issue my warm affirmation to Animal Samaritans of the Coachella Valley. Thank you for initiating an awareness program and for educating our communities as to the importance of keeping the health of our pets a top priority.

Sincerely,

  
V. Manuel Pérez, Assembly Member
