

Thank you for helping us improve the lives of animals and people in the Coachella Valley. Spaying and neutering is a humane way to control animal overpopulation, significantly reduces the euthanasia of unwanted cats and dogs, and helps minimize public health problems. Studies show that non-altered animals are susceptible to more diseases, and consequently spayed and neutered cats and dogs lead longer lives.

**** Dogs must arrive at the Animal Samaritans facility located at 72307 Ramon Road **on a leash**. Cats must be in a **cat carrier**.

**** On the night before your appointment, your pet must have no food or water after 8PM.

**** Cash or Credit Card (MC/VISA/Discover) only – no checks.
