

NAMING OPPORTUNITIES

To express gratitude to donors who make a significant financial gift, Animal Samaritans will recognize and honor the gift by “naming” an area in the new Veterinary Center. In each area, a permanent plaque will recognize the donor's caring support.

Naming of the Veterinary Clinic

We will “name” the new Veterinary Clinic for a charitable contribution of \$2 million over a donor-designated pledge period. This is a legacy of *caring and compassion* that will save the lives of millions of our animal friends as well as an investment in their present and future well-being.

Area Description	Suggested Donation for Naming
Lobby/ Reception Area/Scheduling Area	\$500,000
